1. Treatment, Payment, and Healthcare Operations

Cadence Clinic is committed to protecting your privacy. We may use and disclose your Protected Health Information (PHI) for the following standard clinical and administrative purposes:

- **Public Health Activities:** For controlling disease outbreaks, reporting adverse medication reactions, or notifying public health authorities of potential exposure risk.
- **Abuse or Neglect:** Disclosing information to protective services authorities if we reasonably believe a patient is a victim of abuse, neglect, or domestic violence.

For matters outside standard treatment, payment, and operations, your explicit written authorization is mandatory.
